

Huawei Technologies Co., Ltd. is a leader in providing next generation telecommunications networks, and serves 45 of the world's top 50 operators, as well as over one third of the world's population. We are committed to providing innovative and customized products, services and solutions to create long-term value and potential growth for its customers. Our products and solutions include wireless products, core network products, network products, application and software, as well as terminals. At the end of 2014, we had over 150,000 employees. Our global R&D spending reaches 13 % of the annual revenue. In 2014 our revenue reached 46.3 billion USD, a year-on-year increase of 15 %. We started to operate in Hungary in 2005; we have a manufacture center in Komárom as well. We sincerely invite professionals to join us and develop together with Huawei.
