OVERVIEW

The Huawei Film Awards festival is an Asia Pacific (APAC) festival is dedicated to celebrating work shot on any Huawei mobile phone.

The festival's 100% digital aspect, and its creative and brief format allow broadcast on all screens: mobile, tablet, computer, TV and cinema. Gone are the days when filmmaking was a privilege to the select few with access to expensive equipment and technology. The evolutionary Huawei phones have empowered filmmakers, expanding their scope and freedom to create breathtaking films. It has opened up limitless possibilities in the palm of their hands.

GOALS

1. The vision behind the festival is to encourage anyone who has a vision to share the stories they have captured on any Huawei phones and to provide content creators with a platform to exhibit these stories to a wider audience. The main goal is to reveal and support the talents of tomorrow.
2. Believing that anybody with a thought-provoking concept or a touching story can make a great film, the festival will showcase new talent using a tool so simple and readily available that it's often overlooked: the mobile phone.
